Dear Mr. Benoschek:

Enclosed are three original contract assignments to transfer the VBLS contract dated March 26, 1984 between Lone Star and Monsanto to Ashgrove Cement Company.

Please have your appropriate representative sign all three assignments and return them to me. I will obtain Monsanto signatures and return one original to you. I'd like to expedite this assignment so that the outstanding liability for the VBLS facilities can be handled directly with Ashgrove.

If you have any questions, please contact me at (206) 764-4472.

Sincerely,

Bruce E. Pallante
